Dear Jim,

On behalf of the Director, I want to thank you for your co-sponsorship of the recently completed Colloquium on Future Space Missions. The Colloquium has received good reviews from the attendees, and its success was due in large part to the support of the sponsors. Your early and significant change in the format of the Colloquium made a significant improvement in its cohesiveness.

Your comments after dinner on the 3rd of June were relevant and well received. A summary report on the Colloquium is being prepared and will be sent to you shortly.

Let me thank you again for the major role you played in the Colloquium. I look forward to future joint activities with you. Please pass on to Vic Reis our thanks for his support and again our gratitude to you.

STAT

Sincerely,

John N. McMahon
